VOLUNTEER TOOLKITS [Visit our website at www.unitedwaygw.org](http://www.unitedwaygw.org) to download toolkits

- **Basics for Back to School:** Hold a donation drive to collect NEW backpacks and basic school supplies to be donated before the start of a new school year.
- **Diaper Drive:** Diapers are expensive, and struggling parents often face a choice between paying for other essentials, and going without them. Organize a diaper drive to help support your local diaper bank.
- **Personal Care Kits:** Hold a donation drive to collect in-demand items during the summer or winter months, that will help those experiencing homelessness. Organize needed supplies and distribute at the CHD Hospitality Center, a safe place for people who are homeless to connect with services while in the process of moving towards housing stability.
- **Winter Warming Drive:** This is a time when those with scarce resources need items to stay warm. Help make the winter a bit warmer for children and families in our community. Coordinate a hat, gloves, scarves and socks drive in your office or among friends to be donated to local shelters.

YOUTH ENGAGEMENT

UPSTARTERS is a youth volunteer engagement opportunity that gives local youth exposure to the role they can play in addressing community needs. Rather than hoping that youth learn about volunteerism or philanthropy by the time they are adults, UPSTARTERS provides opportunities today. UPSTARTERS is focused on the future generation of the United Way learning to lead now.

YOUNG PROFESSIONALS

Join a network of young professionals ages 20-40 who live or work in the 10-town region and share a passion to enrich our community. The group provides a platform to impact change throughout our community and to grow personally, professionally and socially! Emerging leaders are not only encouraged to attend various events, but to participate in planning or leading through sub-committees as well. The United Way also welcomes ideas for future initiatives.

WOMEN UNITED

In more than 165 United Ways across the world, more than 70,000 women are coming together through local Women United chapters. In the Greater Waterbury area, our Women United chapter is focused on United Way's three impact areas: Basic Needs, Education, and Financial Stability.
